

Are you tired  
of attending  
meetings that  
waste your time?

Is your team  
dysfunctional—  
with no fix in  
sight?

# Training to Lead™

Excellent training for the seasoned  
and emerging leaders

Transforming Teams  
into Teamwork

**Training to Lead™** is a two-day workshop designed to teach groups how to work together - and to teach you how to become a facilitative leader.

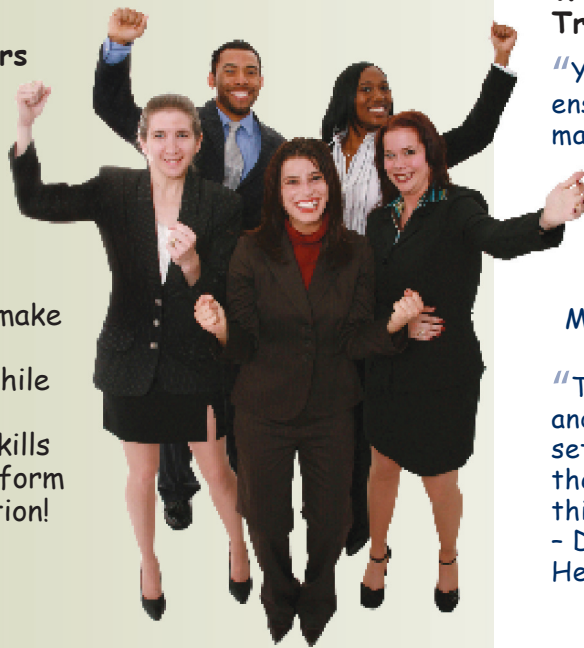

**You'll learn how to:**

- ▶ Reach consensus through group participation
- ▶ Improve communication
- ▶ Make effective decisions
- ▶ Resolve conflicts
- ▶ Manage meetings
- ▶ Understand group dynamics

**Training to Lead™** is highly interactive - and arms you with practical skills that will not only make you a better meeting participant - but a better leader as well!

**Workshop leaders**

Ruth Urban is a Certified Professional Facilitator with the expertise, experience and enthusiasm to make learning these skills a worthwhile and enjoyable experience - skills that can transform your organization!

**What they're saying about  
Training to Lead™**

"Your workshop taught me how to ensure 100% participation, how to manage challenging participants, how to encourage multiple discussions and, most importantly, how to receive constructive criticism. Your session was well worth my time!"  
- Penney R. Towers, Office of the City Manager, City of Las Vegas

"This training builds effective tools and skills that can be used in any team setting. I'm better able to drill down to the important issues. I highly recommend this workshop."  
- Debra March, Councilwoman, City of Henderson
